- (1) The prices in this bid have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other Bidder or competitor relating to (i) those prices, (ii) the intention to submit a bid, or (iii) the methods or factors used to calculate the prices offered.
- (2) The prices in this bid have not been and will not be knowingly disclosed by the Bidder, directly or indirectly, to any other Bidder or competitor before bid opening (in the case of a sealed bid Invitation) or contract award (in the case of a negotiated Invitation) unless otherwise required by law; and

- **b**. Each signature on the bid is considered to be a certification by the signatory that the signatory -

I.4 Certification Regarding Debarment, Suspension, Proposed Debarment, Environmental Compliance and Other Responsibility Matters (JUL 97)

| a . (1) The Bidder certifies, to the best of its knowledge and belief, that - |
|---|

- **b**. The Bidder shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Bidder learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- **c**. A certification that any of the items in paragraph **a**. of this provision exists will not necessarily result in withholding of an award under this Invitation. However, the certification will be considered in connection with a determination of the Bidder's responsibility. Failure of the Bidder to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Bidder nonresponsible.
- **d**. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph **a**. of this provision. The knowledge and information of a Bidder is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- **e.** The certification in paragraph **a**. of this provision is a material representation of fact upon which reliance was placed when making award.
